Farmers Week

The 34th Annual Farmers Week, always one of the highlights of the year for thousands of farm people, will be held at Michigan State College on January 24 through 28. Again the entire facilities of the School of Agriculture and the School of Home Economics will be given over to meetings and exhibits. Throughout the week WKAR and WKAR-FM

will join in broadcasting many of these events for those who cannot attend in person.

All the general sessions, at 3:00 P.M., featuring outstanding speakers in agriculture will be broadcast. In addition many of the sectional meetings will be carried direct from the place of meeting. Reports and interviews with winners of the judging contests will be presented.

Arrangements for the Farmers Week programs are being made by Grant Salisbury, WKAR and WKAR-FM Farm Editor, who will bring to the microphone many of the visitors to the campus for interviews. Through these special broadcasts it will be possible to live, by radio, the many events of the week.
